PROFESSIONAL DOCUMENT MANAGEMENT RAISES MONEY FOR CANCER
"Pass It On" Shred-a-Thon a Huge Success for PVH Cancer Center and Environment

Fort Collins, CO - Professional Document Management announced today that its inaugural "Pass It On" shredding event held on Saturday, March 28, 2009, raised \$1,023 for the Poudre Valley Hospital Foundation, Cancer Center Capital Campaign. In addition to the funds raised, participants shredded and recycled over 4.5 tons of paper in just four hours.

"PDM came up with a creative way for people to get rid of old documents while benefiting the Cancer Center and the environment. For them to forgo their profit and pass along the proceeds to the Cancer Center is a wonderful gift," stated Ruth Lytle-Barnaby Executive Director, Community and Foundation Development, Poudre Valley Health System Foundation.

"We were hoping for a big turnout but the attendance and money raised exceeded our expectations," said Larry Dolgin, President and Owner of PDM. "It usually takes us 10 days to collect the volume of paper our walk-in service shredded and recycled during our four hour event, it was really exciting," Dolgin stated. "We live in a generous community and we will continue to do what we can to care for those with cancer."
